Not All Blues Are the Same— But We Know the Difference

- ❖ **In the monument industry, precision matters—especially when it comes to color. The market often confuses the distinct blue granites sourced from India. But at Angel Granites, we know each one inside and out.**
- ❖ **With over 50 years of experience, we've seen it all—and we've mastered the nuances.**
- ❖ **Whether it's Bahama Blue, Silk Blue, or Coral Blue, we understand the unique characteristics and appearance of each. Explore the largest Bahama Blue and Silk Blue inventory in the country—backed by decades of expertise and a supply chain built to meet your business demands and strengthen your competitive position.**
- ❖ **Partner with a supplier who knows the difference—and delivers with confidence.**

**Etching, Carving and Lettering.
We can do it all. One Reliable Source.**
